## VISUAL ARTS VIRTUAL EXHIBITION

The Visual Arts Virtual Exhibition represents artwork from students in grades 6–12 enrolled in both Drawing Techniques and Material Explorations. In these courses, students developed resourcefulness, creativity, and problem solving skills by utilizing what was available in their own homes. They utilized every room in their houses as potential studio spaces and transformed everyday home materials into original pieces of art. Students refined their drawing techniques while experimenting with a variety of approaches to the medium and worked on self-directed projects that helped them develop their artistic vision.
