PROGRAM NOTE

What is NPX?

The New Play Exchange ® (NPX) is the world's largest digital library of scripts by living writers. The NPX, a National New Play Network program, is flipping the script on the ways in which new work is shared and discovered. National New Play Network (NNPN) is an alliance of professional theaters that collaborate in innovative ways to develop, produce, and extend the life of new plays.

The mission of the New Play Exchange® is to provide an open, egalitarian platform on which writers all over the world can share their work and others can discover that work. Our aim is to facilitate meaningful connections between artists and producers and provide a significant upgrade to the only other “technology” currently available for making those connections: the submission process, which no longer serves the art form effectively.

You can ensure the next promising young artist has the opportunity to come to Interlochen by supporting student scholarships. Make your gift to the Interlochen Annual Fund by visiting [interlochen.org/giveonline](http://interlochen.org/giveonline).

Interlochen Arts Camp is part of the nonprofit Interlochen Center for the Arts, a recipient of the National Medal of Arts and the only community in the world that brings together the finest in arts education, performance and public radio.

In consideration of the performing artists and other patrons, the use of flash photography is not permitted. Federal copyright and licensing rules prohibit the use of video cameras and other recording equipment.

In order to provide a safe and healthy environment, Interlochen maintains a smoke-free and alcohol-free campus. Michigan law prohibits any weapons, including concealed weapons, on Interlochen property because we are an educational campus. Thank you for your cooperation.
