PRESENTS

## “Collage”

Tuesday, July 11, 2023 • 7:30 p.m.

Kresge Auditorium

# WELCOME

Welcome to Interlochen Center for the Arts. I am thrilled that you have joined us for today's performance.

During your visit, I encourage you to explore our campus and immerse yourself in our one-of-a-kind creative community. In addition to performances, we also offer guided tours, workshops for adult learners, lakeside hotel rooms, delicious soft-serve ice cream, and so much more.

This summer, more than 3,000 young artists ages 8-18 have convened under the stately pines for the 96th season of Interlochen Arts Camp, while hundreds of others are experiencing our immersive arts education from their own homes through Interlochen Online. These students—who hail from over 50 U.S. states and territories and 40 countries—are currently engaged in a transformative artistic experience unlike any other. Together, they will refine their skills, forge lifelong friendships, and present hundreds of concerts and events—many of which are free to attend.

I hope that you will join us for one of these presentations and witness the unparalleled artistry of these remarkable young creatives. You can also enjoy many of our student performances from wherever you are by logging on to one of our webcasts or tuning in to a live World Youth Symphony Orchestra broadcast on Interlochen Public Radio.

Many of our Arts Camp students are able to be here this summer because of financial aid. Proceeds from Interlochen Arts Festival events, Scholarship sales, Melody Freeze concessions, and gifts to the Interlochen Annual Fund enable deserving young artists to nurture their talents at Interlochen.

Thank you for investing in the artists of tomorrow. I hope you enjoy the performance.
