Many of our venues are equipped with induction loop systems for the hearing impaired. Please ask one of our ushers if you need assistance connecting to the system. Support for recent upgrades to these systems provided by Michigan Arts and Culture Council; the NEA; Rotary Charities of Traverse City; the Les and Anne Biederman Foundation, Inc.; the Oleson Foundation; and Robert W. Anderson.

In consideration of the performing artists and other patrons, the use of flash photography is not permitted. Federal copyright and licensing rules prohibit the use of video cameras and other recording equipment.

In order to provide a safe and healthy environment, Interlochen maintains a smoke-free and alcohol-free campus. Michigan law prohibits any weapons, including concealed weapons, on Interlochen property because we are an educational campus.
