A collage of images showing students engaged in various artistic activities. At the top, a student plays a trumpet, another plays a violin, and a third is dancing. Below, a student is using a laptop, and another is playing a guitar. The collage is set against a background of red and white paint splatters and stars. The text "THE ARTS ARE ALIVE AT AQ!" is prominently displayed in the center, with "ALIVE" in a large, bold, red font. To the right of the text is a QR code with the words "connect", "visit", and "apply" around it. At the bottom, the text "AQUINAS COLLEGE" is written in a white, serif font.

A group of Loyola University New Orleans students posing in front of a green car. The students are wearing maroon and gold clothing, and some are making hand gestures. The background shows a building with large windows and a statue.

Find your voice. Make your mark.

At Loyola, courage meets creativity. We are a community of performers living and working in the birthplace of jazz and America's first city of opera. Our programs are grounded in professional mentorship, real world experience, and skill development. Our students find artistic inspiration through Loyola's liberal arts coursework. Come experience our unique blend of expression, skill and ingenuity.
